

In the name of God

Curriculum Vitae

Personal Information

Surname: Salmani
Firstname: Abbas
Date of Birth: 1, April, 1978
Nationality: Iranian
Marital status: Married
Tel: (office) 0782-2228107
Fax number: 0098-782-2226633

Address

Iran, Fars Province, Gerash city, Daneshjoo avenue, Gerash Facul
P.O. Box: 74417-58666
E.mail: graparmed1@sums.ac.ir & salmaniabbas59@yahoo.com

Education Background

- **2001-2003:** MSc in Physiology; Faculty of Science, Ferdowsi University of Mashhad. Mashhad-Iran.
- **1997-2001:** BSc in Biology; Faculty of Science, Gilan University, Rasht-Iran.

Dissertations

Protective Effect of Vitamins A, E and *Cotoneaster nummularia* Against Gamma Induced Chromosomal Abnormalities in Mouse

Teaching Experiences:

- **2007-2008:** Advance Physiology for the students of indirect Bachelor of Nursing students, Lar faculty of Nursing, Lar, Iran
- **2007-present:** Medical Physiology for the students of straight Bachelor of Nursing students, Lar faculty of Nursing, Lar, Iran
- **2008-present:** Physiology I for the students of straight Bachelor of Anesthesia students, Gerash faculty of paramedial science, Gerash, Iran
- **2008-present:** Physiology I for the students of straight Bachelor of Operating Room students, Gerash faculty of paramedial science, Gerash, Iran
- **2008-present:** Physiology for the students of straight Bachelor of Lab science students, Gerash faculty of paramedial science, Gerash, Iran
- **2008-present:** Physiology for the students of EMS students, Gerash faculty of paramedial science, Gerash, Iran
- **2008-present:** Physiology II for the students of straight Bachelor of Anesthesia students, Gerash faculty of paramedial science, Gerash, Iran
- **2008-present:** Physiology II for the students of straight Bachelor of Operating Room students, Gerash faculty of paramedial science, Gerash, Iran

- **2008-present:** Lab Physiology for the students of straight Bachelor of Lab science students, Gerash faculty of paramedial science, Gerash, Iran
- **2009-present:** Physiology I for the students of straight Bachelor of Operating Room students, Lar faculty of Nursing, Lar, Iran
- **2009-2011:** Anatomy for the students of EMS students, Gerash faculty of paramedial science, Gerash, Iran
- **2009-2011:** Anatomy II for the students of straight Bachelor of Anesthesia students, Gerash faculty of paramedial science, Gerash, Iran
- **2009-2011:** Anatomy II for the students of straight Bachelor of Operating Room students, Gerash faculty of paramedial science, Gerash, Iran
- **2009-present:** Anatomy I for the students of straight Bachelor of Operating Room students, Lar faculty of Nursing, Lar, Iran
- **2009-present:** Histology for the students of straight Bachelor of Lab science students, Gerash faculty of paramedial science, Gerash, Iran
- **2009-present:** Lab Histology for the students of straight Bachelor of Lab science students, Gerash faculty of paramedial science, Gerash, Iran
- **2010-2010:** medical Genetic for the students of straight Bachelor of Lab science students, Gerash faculty of paramedial science, Gerash, Iran
- **2009-2011:** Anatomy I for the students of straight Bachelor of Anesthesia students, Gerash faculty of paramedial science, Gerash, Iran
- **2009-2011:** Anatomy I for the students of straight Bachelor of Operating Room students, Gerash faculty of paramedial science, Gerash, Iran
- **2010-2010:** medical Genetic for the students of straight Bachelor of Lab science students, Gerash faculty of paramedial science, Gerash, Iran
- **2009-2011:** Anatomy for the students of straight Bachelor of Lab science students, Gerash faculty of paramedial science, Gerash, Iran
- **2009-2011:** Practical Anatomy for the students of straight Bachelor of Lab science students, Gerash faculty of paramedial science, Gerash, Iran
- **2012-present:** Pathology for the students of straight Bachelor of Lab science students, Gerash faculty of paramedial science, Gerash, Iran
- **2012-present:** Lab Pathology for the students of straight Bachelor of Lab science students, Gerash faculty of paramedial science, Gerash, Iran

Research projects

- I. Evaluation of protective effects of Thymus sp. Extract against DNA damage induced by Cyclophosphamid in mouse bone marrow cells by using the micronucleus test.
- II. Evaluation of the antimicrobial effect of smoke, extract and essential oil of Salvia Mirzayani on bacteria isolated of infectious wound in comparison with common antibiotics.
- III. The relationship between hypertension and the distribution of palmar sweat gland pores in people living in gerash.

IV. پلی مرفیسم تک نوکلئوتیدی C-1562T ژن ماتریکس متالوپروتئیناز ۹ و ارتباط آن با سرطان ریه در استان فارس.

Publications(Journals)

- 1) Analysis of protection effect of vitamin A, E against gamma induce chromosomal abnormalities post and past- Irradiation on mouse bone marrow cells using Micronucleus assay. Iranian journal of basic medical science winter 2005; 7(4 (24)):221-227.
- 2) Analysing the Radioprotective Effect of *Cotoneaster Nummularia* in Mouse Bone Marrow Cells Using Micronucleus Assay , Journal of Cell and Molecular Research (2009) 1 (2),77-83.

Papers presented in Symposiums or Congresses

- 1) Comparing the radioprotectory effect of vitamins A, E and *Cotoneaster nummularia* on mouse bone marrow cells against Gamma irradiation , UK MEG/UKEMS INTERNATIONAL CONFERENCE , 2004-09-15.

۲) مقایسه اثر حفاظت ویتامین A و E و شیرخشت در مقابل اشعه گاما بر روی سلولهای مغز استخوان موش. پذیرفته شده در ششمین کنگره فیزیک پزشکی ایران دانشگاه علوم پزشکی مشهد ۲۲ تا ۲۴ اردیبهشت ۱۳۸۳.

۳) تاثیر داروهای ضد افسردگی بر باروری و عمل جنسی در مردان. سمینار بهداشت مردان دانشکده پرستاری حضرت زینب (س) لارستان، ۱۵ تا ۱۶ اردیبهشت ۱۳۸۹.
